Subject: Re: New Co-Facilitator for the Waste Committee--Border 2020 Amistad Task Force

Mr. Wong,

Issac will be of great assistance to the Border 2020 initiative. Thank you for the notice and I look forward to working with y'all to continue with our efforts.

In public service, I remain,

Mayor Cantu

Good Morning Mayor Cantu,

We have a waste committee under the Border 2020 Amistad Task Force. This committee addresses issues related to waste management and scrap tire issues along the region. We currently have a vacancy for the role of the U.S. cofacilitator for the committee. Isaak Ruiz of the City of Eagle Pass has expressed interest in serving as the cofacilitator. Mr. Ruiz is working with Piedras Negras and the Instituto Tecnológico de Piedras Negras on a used electronics awareness project funded under the U.S. Mexico Border 2020 Program.

The cofacilitator serves as the technical advisor to local, state and federal authorities on issues in which the committee is involved, collaborates with his Mexican counterpart to identify priorities and strategies that will help the committee fulfill the goals and objectives of Border 2020, and ensures representation of stakeholders and officials in committee activities.

Mr. Ruiz will provide leadership and ensure binational cooperation to address emerging waste issues. Let me know if you have any questions or if I can be of any assistance.

Regards,

Victor H. Wong
